Press to add a new installation

1

2

3

Drag to position of new installation

4

Confirm

5

Select the type, then enter details
Only the code and type are required
Example. Rata 001

6

Press and hold the SAVE button

The image is a composite of three screenshots from a mobile application, illustrating the process of adding a new installation. The background is a yellow hexagonal pattern.

- Top Left Screenshot:** Shows a map view. A red arrow labeled '1' points to a circular zoom control. Another red arrow labeled '2' points to a '+' icon in the bottom right corner of the map.
- Top Right Screenshot:** Shows the map with a red dot indicating the location of a new installation. A red arrow labeled '3' points to this dot. A red arrow labeled '4' points to a green checkmark icon in the bottom right corner.
- Bottom Screenshot:** Shows a 'New Trap' form. A red arrow labeled '5' points to the 'Type' dropdown menu. The form has fields for 'Code *', 'Type *', and 'Description'. The 'Type' dropdown is currently set to 'Select'. The date and time '19/04/2023 10:05' are displayed at the top right of the form.

Below the screenshots, there are numbered steps 1 through 6, each with a corresponding red arrow pointing to the relevant part of the screenshots.

1. Press and hold centre to zoom

2. Press to add a new installation

3. Drag to position of new installation

4. Confirm

5. Select the type, then enter details
Only the code and type are required
Example. Rata 001

6. Press and hold the SAVE button
